LUIS MONROY

Product Designer & UX/UI Designer

(+57) 300 473 5444 | luisdmonroyr@gmail.com | LinkedIn | Portfolio | Bogotá, Colombia

Professional Profile

Digital Product Designer with over 4 years of experience creating highly functional and satisfying user experiences across companies in various sectors, including finance, arts, education, healthcare, and technology. I specialize in user research, ideation, prototyping, and strategic design. In one of my recent projects, I optimized key conversion and satisfaction metrics through data-driven iteration. I am driven to generate quantitative and qualitative results that benefit both users and business growth.
